SPECIAL THANKS TO

- The middle school students of **Overseas Family School** in Singapore
- Tom Cullen and the MS Community & Service Program.
- To everyone who donated and participated in the Fund-raiser

Shortly after the fundraiser, the I Heart Cambodia Team and I went to deliver some goodies to the PACDOC (children’s/ orphanage) .

The team was able to deliver over 13 large boxes of clothes & shoes collected by the middle school students of Overseas Family School in

Singapore. The children and community were excited about the donations and huddled around to watch the clothes and shoes being sorted.

In addition to the boxes, we were able to supply the shelter with 2 to 3 months worth of rice, cooking condiments, learning supplies, and hygiene products. We caused a bit of a stir at the local market shopping for

fresh produce and meat. It sort of reminded me of the amazing race. It was a fantastic trip

and a learning curve for all of us. I also learned that Mr. Boran, the owner, is from my grandmother’s village, and his wife is good friends with one of my aunties. Amazing! Once again thank-you everyone for all of your support & love.
